

Clothing

✓ **Is there a dress code?**

Yes. Respecting your individual cultural background and upholding our rich cultural traditions, yet student friendly, Manipal University has prescribed the dress code for its students. An apron is mandatory when you visit the hospital. You will be provided with a student ID card on arrival after you complete the formalities. We also have a suggested dress code which can be accessed by clicking on <https://manipal.edu/mu/campus-life/student-affairs/dress-code.html>.
