

- **Dr. (Mrs.) vandana Prasad**, Birabal Sahni Institute of Palaeosciences, Lucknow, Uttar Pradesh. Gave a talk on " Evolutionary history of tropical angiosperms based on Indian pollen fossil records" on 16.12.2022. **(Earth and Planetary Sciences Introductory Lecture Series (November -December 2022))**.
- **Prof.G.V.R.Prasad**, Department of Geology, Centre for Advanced Studies University of Delhi, Delhi. Gave Talk on " Dinosaur Fossil Heritage of India" on 09.12.2022. **(Earth and Planetary Sciences Introductory Lecture Series (November -December 2022))**.
- **Prof. R. Shankar**, Marine geology, Mangalore University Mangalagangothri, Karnataka. Gave Talk on " How is earth Science Important in Our Daily Lives?" on 09.12.2022. **(Earth and Planetary Sciences Introductory Lecture Series (November -December 2022))**.
- **Dr. R.G. Pizzone**, INFN-LNS, Catania-95123, ITALY. Gave Talk on Cosmic Challenges in Nuclear Astrophysics: The Indirect Approach" on 05.12.2022.
- **Dr. TR. Premathilake**, Senior Lecturer, Postgraduate Institute of the Archaeology University of Kelaniya, Sri Lanka. Gave a talk on Understanding past and present tropical vegetation dynamics using the palynological and phytolith approaches: - an introductory discourse" on 03.12.2022. **(Earth and Planetary Sciences Introductory Lecture Series (November - December 2022))**.
- **Dr. Mohammed HAsan**, Science Program Office, ISRO HQ, Bangalore. Gave a Public Talk on the " Indian Space Science Program" on 30.11.2022
- **Prof. Dipank Banerjee**, Director, ARIES, Nainital & President, Astronomical Society of India (ASI). Gave a Public Talk on " ADITYA-L1: India's first Space Solar Observatory" on 29.11.2022.
- **Prof. Durgesh Tripathi**, IUCAA, Pune. Gave a Public Talk on " The Fiery star that Gives Us Life" on 28.11.2022.
- **Dr. Koji Wada**, Principal Staff Scientist Planetary Exploration and Research Centre Chiba Institute of Technology Chiba, Japan. Gave a talk on " A Space Impact Experiment in Hayabusa2" on 25.11.2022. **(Earth and Planetary Sciences Introductory Lecture Series (November -December 2022))**.
- **Prof. P. Poulouse**, Department of Physics, IIT Guwahati, Assam, India. Gave a talk on " Mysteries of the Cosmos: Story of Dark Matter" on 28.09.2022.
- **Prof. Douglas J Klein FSCI**, Texas A&M University @ Galveston, Texas, USA. Gave a talk on " Conjugated-Carbon Nano-Structures: Defects, Decorations, Functionalizations" on 03.08.2022
- **Prof. Marek Jamrozy**, Astronomical Observatory of the Jagiellonian University Cracow, Poland. Gave a talk on " Extragalactic radio astronomy - the golden age of dynamic development and great discoveries " on 06.07.2022
- **Dr. Jessica Budke**, Assistant Professor & Herbarium Director (TENN) Dept. of Ecology and Evolutionary Biology University of Tennessee Knoxville, TN. Gave a talk on " Connecting with Biodiversity Collections: Structure-Function Relationships and Morphological Evolution in Mosses" on 29.06.2022
- **Prof. Dr. Carmen Herrmann**, Institute of Inorganic and Applied Chemistry, University of Hamburg, Germany. Gave a talk on " Molecular electronics and spintronics as a challenge for first principles methods" on 22.06.2022
- **Prof. Balachandran Sathiapalan**, the Institute of Mathematical Sciences. Gave a talk on " Black Holes, Holography and Quantum Gravity" on 08.06.2022
- **Dr. Gururaja K.V.**, is a faculty, researcher, Dean for master's program in Environment and Society, and Associate Dean for Undergraduate Professional Programme Year 2 at Sri Sri Manipal Institute of Art, Design and Technology, MAHE, Bengaluru. Gave a talk on " Beyond diversity, what do amphibians from the Western Ghats tell us?" on 11.03.2022
- **Prof. Ajit Kembhavi**, Professor Emeritus, and former Raja Ramanna Fellow at the Inter-University Centre for Astronomy and Astrophysics (IUCAA), Pune. Former Director, IUCAA, Pune. Former Member, Space Commission of India. Gave a talk on " The bending of light and

the first Black Hole image” on 28.02.2022. **(National Science Day Week 21-28 February 2022).**

- **Prof. M. S. Valiathan**, World-renowned cardiac surgeon, Was awarded Padma Vibhushan – India’s second-highest civilian award Former Vice-Chancellor, MAHE. Former President of the Indian National Science Academy gave a talk on “Chitra TTK valves - a triumphant repeat of Bhagiratha Yagna” on 26.02.2022. **(National Science Day Week 21-28 February 2022).**
- **Prof. G.C.Anupama**, Formerly Dean and Senior Professor at Indian Institute of Astrophysics (IIA), Bangalore. A core member of the India TMT Coordination Centre (ITCC). She was the president of the Astronomical Society of India (ASI), and gave a talk on “Thirty Meter Telescope (TMT) and India’s role in its development” on 25.02.2022. **(National Science Day Week 21-28 February 2022).**
- **Mr. A. R. Shivakumar**, Researcher, and Technology Promoter. Formerly a Senior Scientist at KSCST, Indian Institute of Science, Bangalore. He is popularly known as the Rain Man, gave a talk on “Science Technology & Innovation for a sustainable living around us” on 24.02.2022. **(National Science Day Week 21-28 February 2022).**
- **Dr. Anupama K**, Palynologist & Paleoecologist, French Institute of Pondicherry, Puducherry, India, gave a talk on “ Why does the past hold the key to the future?” on 23.02.2022. **(National Science Day Week 21-28 February 2022).**
- **Dr. Praveer Asthana**, Currently a PSA Fellow in the Office of the Principal Scientific Adviser to the GOI, gave a talk on “ Mega Science Programme in India – Evolution and Prospects” on 22.02.2022. **(National Science Day Week 21-28 February 2022).**
- **Dr. P R Vasudeva Rao**, Vice-Chancellor, Homi Bhabha National Institute Mumbai, Former Director, Indira Gandhi Centre for Atomic Research (IGCAR), gave a talk on “ Dr. Homi Jehangir Bhabha: a legend lives on” on 21.02.2022. **(National Science Day Week 21-28 February 2022).**
