The **Manipal Academy of Higher Education (MAHE)** is a Deemed to be University under section 3 of the UGC Act 1956 and also a pioneer in higher education services with 60-year-old legacy of excellence. MAHE also owns and operates campuses in Sikkim and Jaipur in India, Nepal, Malaysia, and Antigua in the Caribbean. Over 28,000 students from 57 different nations live, learn and play in the sprawling University town. It also has nearly 2500 faculty and almost 10000 other support and service staff, who cater to the various professional institutions in health sciences, engineering, management, communication and humanities. A part of the Manipal Group, the deemed to be University is ISO 9001:2008 and ISO 14001: 2004 certified, and has won the prestigious IMC Ramkrishna Bajaj National Quality Award and the International Asia Pacific Quality Award in 2007-2008. The university ranks among top 250 Universities in the world as per QS Ranking. Every constituent institute has world class facilities and pedagogy, which are constantly reviewed and upgraded to reflect the latest trends and developments in higher education.

For further details please visit: www.manipal.edu

Manipal College of Pharmaceutical Sciences (MCOPS): A constituent unit of MAHE, Manipal established in 1963 is a premier pharmaceutical teaching and research institute in India. Ranked #7 amongst Pharmacy Institutions of India by NIRF, MHRD, Govt. of India in 2018 and among top 251-300 range by subject Pharmacy and Pharmacology in QS World Ranking. MCOPS stands as hallmark of quality education and research in India and most preferred destination for students. It offers DPharm, BPharm, MPharm, PharmD, PharmD Post Baccalaureate and PhD programs.

Center for Integrative Medicine and Research (CIMR) is a new addition to MAHE educational spectrum offering education and research in the traditional and holistic medicine. Multidisciplinary research is need of the hour and CIMR is striving hard to bring in innovation and value for the existing ideas and practices. The center involves Ayurveda, Siddha, Homoeopathy and Pharmacognosy. The center is offering many short term certificate courses to professional as value addition to their existing knowledge and expertise.

Society for Ethnopharmacology (SFE), India is registered under the West Bengal Society Registration Act and also affiliated to the International Society for Ethnopharmacology. The society was formed in 2013 and has made its presence throughout the country, which provides networking opportunity for development and promotion of medicinal plants and ethnopharmacology. The society works on dissemination of knowledge in this area through different local chapters made in different parts of India with major highlights on “Globalizing local knowledge and localizing global technologies”.

For further details please visit: www.ethnopharmacology.in

International Society for Ethnopharmacology (ISE) is an International scientific organization of researchers dedicated to the interdisciplinary study of the pharmacological actions of plants, animals, insects, and other organisms used in medicines of indigenous and modern, past and present cultures. The major objective of the ISE is to promote Ethnopharmacology as a scientific field of research. The Journal of Ethnopharmacology is dedicated to the exchange of information and understandings about people's use of natural products and their bio-prospecting.

SYNERGY SYMPOSIUM

'Synergy Research on Natural Drugs'

Organized by

Society for Ethnopharmacology, India

Saktigarh, Jadavpur, Kolkata, India

www.ethnopharmacology.in

Saturday, February 9, 2019

This special symposium on synergistic and combinatory applications of natural drugs and compounds in contemporary research and treatment regimes will be an integral part of the SFEC 2019, Manipal, India.

Synergy research is still a young field of research in life sciences, but the elucidation and application of synergistic actions of compounds if of particular relevance and opens new perspectives for drugs from botanicals. On behalf of the SFE India we cordially invite you to participate and to explore new perspectives and opportunities.
